The Honorable Marilyn Lloyd
U.S. House of Representatives
253 Federal Office Building

Dear Ms. Lloyd:

STAT

    The Director has asked me to respond to your letter of
24 May 1988 on behalf of your constituent,[   ]
who wrote for your assistance in being reinstated to his
previous position with the Central Intelligence Agency (CIA).

STAT

    [   ] retired under the provisions of the Central
Intelligence Agency Retirement Act of 1964 for Certain
Employees, as amended. In order to insure the availability
of a workforce able to meet the rigors of various Agency
assignments, that Act provides for the mandatory retirement
of persons at the GS-18 level or lower when they reach age
60. At the same time, however, that Act seeks to recognize
the rigors of such a career through the granting of
substantial benefits upon retirement.

    These provisions are discussed with employees when they
enter the retirement system and again at the time of their
separation from the Agency. To ease his transition to

STAT

retirement, [   ] was given leads with search firms to
explore employment options when he left the government.

STAT

    Thank you for writing on behalf of [   ] but we
cannot reinstate him to a position with the CIA.

                                    Sincerely,

STAT

Re:

Dear Mr. Webster:

This letter is written in the interest of the above referenced individual regarding his desire for reinstatement with the CIA.

STAT

                        advises me that he was forced to retire at age 60.   He believes this is unfair and is requesting reinstatement to his previous position.

Any consideration you may be able to afford his request would be greatly appreciated. Also, I will appreciate being provided a written report of action taken in this matter at your earliest convenience.

Thank you for your attention and I look forward to hearing from you soon.

                         Sincerely,

                         MARILYN LLOYD
